Gold Card Fundraiser

- Gold Cards brings in the most revenue.
- Expected to sell 25 gold cards each. If this goal is not met, this could cause significant financial hardships for the program.
- “Gold Card Blitz” is the last day to sell their cards.
- Players who sell their 25 cards are entered into the “money grab”.
- At this point they are often over fundraisers, but it’s important for one final push.

We are looking forward to a
great season.
